

# Season 2009–2010

The Football League is already underway and the Premier League follows suit this weekend and so now is the perfect time to join the GDP Ink 'n' Rollers League (The GDP Premiership) and pit your wits against the best that the print industry can offer.

The league is open to Customers, Employees and Suppliers, is free to enter and offers you the chance to claim the trophy (pictured below right), the glory and of course the special prize.

Joining and playing is easy. Log onto <http://fantasy.premierleague.com/> and register. You will then be able to create your squad and pick your starting eleven for the big-kick-off on Saturday.

You will need to select a squad of 15 players (but no more than 3 from one Premier League team) made up of;

- 2 Goalkeepers
- 5 Defenders
- 5 Midfielders
- 3 Forwards

From this squad you will then select a starting eleven (which can obviously be changed) and a captain. These players will then score points as per the table on the right.

Joining our league is simple to. Once the team has been picked click on the "Leagues" button on the left of the screen and enter the code listed below when asked for it.

That all important code is;

**227550-58381**

When you have done that we would ask that you send an introduction e-mail to the League Chairman, Anthony Donnelly, on [anthony.donnelly@garnett-dickinson.co.uk](mailto:anthony.donnelly@garnett-dickinson.co.uk) so we know who you are and can contact you with updates, news and the like as the season progress. If you have already joined the league, but haven't sent an email to let us know who you are then we would be very grateful if you could do it before the season kicks-off.

If you have any questions about the league or Garnett Dickinson Print we are always happy to answer them so feel free to contact either the League Chairman on the address given above, your Sales contact or your CSR.

Full details of the league can be found on <http://fantasy.premierleague.com/> along with the overall competition rules, player details, scoring charts, the league tables as well as much, much more.

We hope you enjoy playing in the GDP Ink 'N' Rollers League this season and look forward to welcoming you to the game.

Let battle commence!
