

**Step 1**  
Take an A4 sheet and fold it in half along the dotted line. It helps to fold the sheet out so these instructions remain visible.

**Step 2**  
Fold the corners down to the first crease.

**Step 3**  
Fold down the new fold you have created to the original crease.

**Step 4**  
Once you've done the same on the other side, fold the whole thing in half.

**Step 5**  
Fold down the illustrated dotted line to make the wings.

**Step 6**  
Now throw it
